

My Beloved Family in China

September 1, 2020

My beloved heart dwellers in China, the Lord bless you with His peace.

My heart is very heavy today with the news that our Chinese sisters and brothers have not been getting the translations of the recent messages. Our translator, a very holy and faithful woman has been under attack from those who have said that people were waiting for messages, and listening, but not reading the Bible, so she should stop translating the messages. That just breaks my heart. Dear ones, I hope you are reading the scriptures, the Bible every day, as well as the messages. The Word of God is what keeps us growing deeper in our understanding of God's ways and we cannot live a holy life without constantly breathing in the Divinely inspired words of the Lord, His holy scriptures. Please do not ever stop reading the Bible. That should come before any message that we put out.

And here's a quote from 2 Timothy 3 that I want to share with you.

12 Indeed, all those who desire to live a godly life in Christ Jesus will be persecuted (and that's what she is getting right now, our ministry has been under tremendous attack), 13 while evil people and impostors will go on from bad to worse, deceiving and being deceived. 14 But as for you, continue in what you have learned and have firmly believed, knowing from whom you learned it 15 and how from childhood you have been acquainted with the sacred writings, which are able to make you wise for salvation through faith in Christ Jesus. 16 All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, 17 that the man of God may be complete, equipped for every good work.

So please my dear heart dwellers do not stop reading the Bible. I would much sooner you read the Bible then listen to my messages, but the messages fill in different things that are very timely and current. And the Lord knows when there is an attack on His body, like right now there is an attack of condemnation and worthlessness on His body as never before. And that is one of the things He has been addressing lately in the messages, is the liars have been busy at work telling everyone that God doesn't love them, that they are too sinful, that He won't have anything to do with them, He won't hear their prayers. All kinds of things, terrible things and those things not only are they lies, but they are lies against the truth and against God. They slander His character and we should never, ever receive those into our heart. He loved us enough to get on that cross for only one of us. He would have gone to the cross to be crucified for just one of us. So how much more does He love us, all of us who have come and given our lives to Him.

As Christians, there are several things we should never stop doing, praying, praising, reading Scriptures very thoughtfully, checking through our consciences to see if we have offended God and repenting and receiving good solid teachings and showing charity to the poor as well as supporting the ministries that feed our spirit. Reading the stories of the saints is also very important to help us apply what we learn, because when we see others have had the courage to follow the Lord and make the ultimate sacrifice for His kingdom, we can learn from their examples. If we are growing closer to the Lord because of the teachings God has led us to listen to, we should also contribute to their ministry so they can continue to live only for God, and not get tangled up in secular jobs.

We have lived on providence ever since the Lord removed us from the world to work for Him. That's a good 33 years. And that is because the people are so very kind and concerned for the continuation of our ministry. But lately we have been under attack from covens that have joined together to remove us from the mountain and cut off our support and slander who we

are. Thank God, it is His will that we stay here, so even if we have to go without eating a meal or two, we will never abandon the work of intercession and teaching that He has mandated here on the mountain. And there are several young people here with a prophetic voice that is being cultivated and trained up for their own ministries.

The other attack against our ministry is from those who have said, "God doesn't speak to people any more." On my goodness, please listen to what Scripture says:

12 And we urge you, brethren, to recognize those who labor among you, and are over you in the Lord and admonish you, 13 and to esteem them very highly in love for their work's sake. Be at peace among yourselves. 19 Do not quench the Spirit. 20 Do not despise prophecies. 21 Test all things; hold fast to what is good. 22 And abstain from every form of evil. And to that I would like to add certainly gossiping against a ministry is a great evil. And that was 1 Thessalonians 5.

And again in 1 Corinthians 14 beginning with verse 1:

1 Follow the way of love and eagerly desire gifts of the Spirit, especially prophecy. 2 For anyone who speaks in a tongue and does not speak to people but to God. Indeed, no one understands them; as they utter mysteries by the Spirit.

3 But the one who prophesies speaks to people for their strengthening, encouraging and comfort. This is so important because the Lord brings things to us for the current day. Many onslaughts of the enemy have come against the body and He warns us about them, and He reveals to us what we need to do to stop them from hurting us and hurting others. It goes on to say:

4 Anyone who speaks in a tongue edifies themselves, but the one who prophesies edifies the church.

5 I would like every one of you to speak in tongues, but I would rather have you prophesy. The one who prophesies is greater than the one who speaks in tongues, unless someone interprets, so that the church may be edified.

6 Now, brothers and sisters, if I come to you and speak in tongues, what good will I be to you, unless I bring you some revelation or knowledge or prophecy or word of instruction?

Hey guys this is the New Testament, He's talking here about bringing us revelation, knowledge and prophecy. Of course, God speaks to us today, of course He does, and it's written in His word that He speaks to us today, otherwise it wouldn't say I bring you some revelation or knowledge or prophecy of the word of instruction. So, these messages from Jesus are instructions, based on the Word of God, for our times. They are current to the world situation and give us hope as well as inspiring us to pray. When I bring these messages to you dear ones, I often ask for prayer for the world. All those who follow us know that we are constantly exhorting everyone to pray for specific situations that are coming up. We are told about these things by Jesus, who knows what is going to happen in the future. They are not in the news and no one knows about them, but He knows. And so when you cut off a prophetic voice, you cut off the mandate to pray for specific situations that are extremely important at the time.

When these vital words from the Lord are cut off from you dear ones, you don't have that information any longer, so you may not know what to pray for or against. We do need another translator, because our dear sister cannot keep up with the work of translating them alone. So I am appealing to you, please if you could help us translate these words into mandarin and get them to our family in China, we would so greatly appreciate it.

You know there are many who think they are ready for the Rapture, but the Lord has pointed out the very things that are lacking to some of us, so we can prepare. Jesus is uncovering areas of our lives that are still not ready for Him, and He is lovingly convicting us of those things. But if we do not have

a translator, how can we get these messages to you dear ones?

For those who do not believe the Lord is still speaking to us, please listen to what the Bible says about it. And this is a continuation of 1 Corinthians 14 beginning at verse 7:

7 Even in the case of lifeless things that make sounds, such as the pipe or harp, how will anyone know what tune is being played unless there is a distinction in the notes? 8 And again, if the trumpet does not sound a clear call, who will get ready for battle? 9 So it is with you. Unless you speak intelligible words with your tongue, how will anyone know what you are saying? You will just be speaking into the air. Now mind you we speak in tongues so and a lot, we pray in tongues almost constantly. So we are not putting down tongues, I'm just reinforcing what the scripture says about prophecy which a current word for the day. It goes on to say....10

Undoubtedly there are all sorts of languages in the world, yet none of them is without meaning. 11 If then I do not grasp the meaning of what someone is saying, I am a foreigner to the speaker, and the speaker is a foreigner to me. 12 So it is with you. Since you are eager for the gifts of the Spirit, try to excel in those that build up the church. When you join our ministry, you are building up the Body of Christ and strengthening the Church on earth and you are preparing souls for the rapture. Continues....

13 For this reason the one who speaks in a tongue should pray that they may interpret what they say. 14 For if I pray in a tongue, my spirit prays, but my mind is unfruitful. 15 So what shall I do? I will pray with my spirit, but I will also pray with my understanding; I will sing with my spirit, but I will also sing with my understanding. 16 Otherwise when you are praising God in the Spirit, how can someone else, who is now put in the position of an inquirer, say "Amen" to your thanksgiving, since they do not know what you are saying? 17 You are giving thanks well enough, but no one else is edified.

18 I thank God that I speak in tongues more than all of you. 19 But in the church, I would rather speak five intelligible words to instruct others than ten thousand words in a tongue.

20 Brothers and sisters, stop thinking like children. In regard to evil be infants, but in your thinking be adults. 21 In the Law it is written: "With other tongues and through the lips of foreigners I will speak to this people, but even then they will not listen to me, says the Lord." 22 Tongues, then, are a sign, not for believers but for unbelievers; prophecy, however, is not for unbelievers but for believers. 23 So if the whole church comes together and everyone speaks in tongues, and inquirers or unbelievers come in, will they not say that you are out of your mind? We've all heard that before haven't we. 24 But if an unbeliever or an inquirer comes in while everyone is prophesying, they are convicted of sin and brought under judgment by all, 25 as the secrets of their hearts are laid bare. So they will fall down and worship God, exclaiming, "God is really among you!"

That's exactly it, when someone brings to you a fresh prophetic word it is because God is with them and He wants you to receive that word. And we don't want to cut off those who are bringing relevant prophetic words. That's what the Devil wants and that is why he is opposing our ministry.

Dear family, prophetic words and exhortations are vital to the health of the Body of Christ, and to say that God does not speak to people, goes directly against the Word of God. Lord help us that we should never, ever contradict or oppose the Word of God.

So I am coming to you to ask for someone who wishes to be part of this ministry to help us translate these messages for their people. I want you also to understand that when you are a part of this prophetic ministry, God credits your account for the souls who were touched because of your sacrifice and obedience. The ones who pray for us, also will receive a reward in Heaven for helping this ministry. We cannot do this alone dear ones; we need helpers and it is your faithful prayers that keep us going even in the midst of spiritual warfare. It is not secret that the Body of Christ is divided into so many fractured parts because there are so many opinions of men about what to believe and what to have scorn and contempt for in the

word of God. We should never have scorn and contempt dear ones...there is much we are ignorant of, as the Lord is still teaching us every day. So be ever so careful not to commit the unpardonable sin of blaspheming the work of the Holy Spirit through good ministers. And I do want to encourage you. Yes, discern right from wrong, but use the Word of God to do it, not men's opinion. Lord have You anything to say?

Jesus began, "I do indeed. You will know they are Christians by their love. There are those among many congregations the world over who have set themselves up as judges of My Body, based on their interpretation of Scripture. This is a warning to those who go around setting the record 'straight' so to speak. They find fault with every congregation and ministry under the sun, and the result is the fracturing, division, dividing of My Body like it has never been before.

If you are not with Me gathering, you are against Me. And those teachers who have remained faithful to My Word, whom I have chosen to speak prophetic words for Me, have been mercilessly cut to shreds over jots and tittles someone who claims to sit on My Throne does and claiming to be an expert in discernment, has passed judgment and spread gossip, lies and calumny.

How much better for them it would have been if they had instead studied themselves to be approved so that I could use them for the building up of My Kingdom, rather than they using their talents for the tearing it down while claiming to speak for Me against those I have legitimately raised up to groom My People for the Rapture and bring salvation. Mother Clare is one such person and she has given you My Heart on who I will take and who I will not take in the Rapture. If someone presumes to tell you that you are not ready for the Rapture, I ask you to look up those teachings and find out for yourself, what My Bride must look like. Here He is referring to the messages that He has given me on who is eligible for the Rapture. There are several and you will find a link in the description that will connect you with it.

The Lord continued, one thing I can guarantee you, those who claim to be My Bride and make evil declarations against My hand picked servants, their hearts are filled with jealousy and darkness and they have spoken their very own prophecy, they indeed are not ready for the Rapture.

So, all the time, I guess for the last few days, the Lord has been giving us Isaiah 58. He has been giving it to several different people in the community, and it's very important because this is a critical time for us to be praying for critical situations and it's so important that you get these messages and you fast and pray for the things the Lord is giving us. But here is what Isaiah 58 says:

1 "Cry aloud, do not hold back! Raise your voice like a ram's horn. Declare to My people their transgression and to the house of Jacob their sins. 2 For day after day they seek Me and delight to know My ways, like a nation that does what is right and does not forsake the justice of their God.

They ask Me for righteous judgments; they delight in the nearness of God."

3 "Why have we fasted,

and You have not seen? Why have we humbled ourselves, and You have not noticed?" "Behold, on the day of your fast, you do as you please, and you

oppress all your workers. 4 You fast with contention and strife to strike

viciously with your fist. You cannot fast as you do today and have your

voice be heard on high. 5 Is this the fast I have chosen: a day for a man to

deny himself, to bow his head like a reed, and to spread out sackcloth and

ashes? Will you call this a fast and a day acceptable to the LORD? 6 Isn't

this the fast that I have chosen: to break the chains of wickedness, to untie

the cords of the yoke, to set the oppressed free and tear off every yoke? 7

Isn't it to share your bread with the hungry, to bring the poor and homeless

into your home, to clothe the naked when you see him, and not to turn away

from your own flesh and blood? 8 Then your light will break forth like the

dawn,

and your healing will come quickly. Your righteousness will go before you,

and the glory of the LORD will be your rear guard. 9 Then you will call,

and the LORD will answer; you will cry out, and He will say, 'Here I am.' If you remove the yoke from your midst, the pointing of the finger and malicious talk,

10 and if you give yourself to the hungry and satisfy the afflicted soul, then your light will go forth in the darkness, and your night will be like noonday.

And it continues but I wanted to mention this, if you remove the yoke from your midst, the pointing of the finger and malicious talk and you give yourself to the hungry and satisfy the afflicted. That is what the Lord is trying to do on this channel is to satisfy those who are afflicted with lies, with Satan's schemes to bring them down. That is one thing He is constantly addressing because Satan finds new ways to shackle us with chains every day and a fresh word how good it is to receive a timely word from the Lord. That fresh word helps us to focus our energies and our prayers on the areas that are going to come under attack.

It continues and says, *11 The LORD will always guide you; He will satisfy you in a sun-scorched land and strengthen your frame. You will be like a well-watered garden, like a spring whose waters never fail. 12 Your people will rebuild the ancient ruins; you will restore the age-old foundations; you will be called Repairer of the Breach, Restorer of the Streets of Dwelling.* That's my husband's email address repair the breach and that's what we are all about to repair the breach in the Body of Christ.

Please do not allow yourselves to be caught in this vicious web of negativity, that injures legitimate ministries and cuts the Body of Christ off from receiving prophetic teachings, highly relevant to the times we are living in and the challenges that we are facing. So, if you want to be a part of this ministry and help bring the words of the Lord to the Chinese believers, I would welcome you with open arms.

I asked the Lord if He had anything else to say and He continued, I haven't much more to say about this except woe to those who scatter and divide my sheep, on that day I will say, "I never knew you". God forbid that any of us should fall under that condemnation. Dear ones continue to build up the

Body of Christ, keep your tongue from evil and pray for those who minister fresh manna to you every day.

And just to end on a slightly more positive note, remember Jesus said,

40 He who receives you receives Me, and he who receives Me receives the One who sent Me. 41 Whoever receives a prophet because he is a prophet will receive a prophet's reward, and whoever receives a righteous man because he is a righteous man will receive a righteous man's reward.

And I remind you of the scripture in Matthew 10:40; because by taking up the pen and translating the messages for other souls, you are receiving a prophet's reward. You are bringing to them the prophetic words of the Lord that are in season now, that are critical now. And the Lord will reward you for your kindness and the extra work that you went through to deliver the Word even as though it had come through your own mouth.

The Lord bless you dear heart dwellers, thank you for believing in us, thank you for supporting us, thank you for praying for us.

Another EMERGENCY Call to Prayer NOW

September 3, 2020

Clare has again asked me to post a short message asking ALL to Pray as much as possible for our Country. Ezekiel has again been having visions of missiles going across the USA. Clare has been in suffering all day, and it's a very heavy suffering.

Please Pray for the USA, for Donald Trump, and for Peace!

Also, please Pray the Divine Mercy Chaplet as often as possible. God Bless ALL of you!

Honor Your Father and Mother

September 9, 2020

The Lord bless and infuse you dear family with His will and His wisdom. I pulled a Rhema card from my file boxes that gave me pause for thinking...at first, I had no idea what the Lord was saying to me. The card said, "Honor your Mother and

Father." Well both of them are in Heaven now, so I sought the Lord for His interpretation. When He began speaking to me in this message, He opened my eyes. I asked Him, Lord speak your Heart to me.

He replied, "You have already received what is in My heart dear one. I want this to be a 24-7 Eucharistic community. A place where I can rest My weary brow upon your hearts. And what He meant by that is adoration of the Blessed Sacrament. Adoration of Jesus who is present, who is truly present in the Host, under the appearance of bread, but the true substance is none other than Christ Himself. Continuing, He said a place where I can rest my weary brow upon your hearts. Each one of you are beautiful souls, who are learning to adore Me in spirit and in truth. Truly, I tell you, I can come here when all else fails. There is always someone in your midst that is thinking about Me and wanting to keep Me company.-- --

I want you to make time for them to come and keep Me company. I want you to value the time spent before My Eucharistic Presence before all other activities, even work. I intend to button this community up from evil through Eucharistic adoration. I want you to teach this Clare because very difficult times are coming and it will be necessary for each to maintain their strength through Me.-- --

What a privilege to accompany Almighty God, King of Heaven and Earth, in the flesh, true Flesh, true Blood. There are some who still do not

understand the power of My Presence among them. For this reason, they are weak and emaciated spiritually. You cannot change men's opinions through discourse, this must happen through experience, and I am standing ready to grant them this experience if they will only come to Me with an honest, open and willing heart and mind, and base their thinking on My Words, not their former pastor's opinions. In John 6, I clearly state that this transmuted by the Holy Spirit, wine and bread have now become truly My Body and Blood under the appearance of Bread and wine. I do not say this once or twice or not even three times, but seven times I confirmed that this is My Body and My Blood, and that unless you partake in it, there is no life in you and that is why so many abandoned Me in that hour. To the Jews, blood is an impure abomination and the very idea of eating human flesh and drinking human blood is an abomination.

After I shared this with the community, one of our members who had come back from a family leave of absence, approached me and said, "I have been so dry for the past month. But this morning, a brother asked me if I wanted to receive. I said yes. Afterwards the Lord touched me and I felt His sweet presence again restored." This was coming from a Cajun brother that had a strong fundamentalist background, and I was very edified by what he said because I was almost expecting a different reaction, since this teaching is so very Early Church and of course the Early Church is where the Catholic Church began. So, people assumed that we are Catholic, but we are not we are Early Church. -- -- -- -- --

Jesus continued, "Cultural prejudice runs deep My People. Many of you cling to the traditions of men...by that I mean the errors of your denomination, and ignore My Word. I am calling upon you to shed this PRIDE of opinion, which accompanies each one of you from churches operating in generational error. For you, this is not easy, because your identity, your family and friends held such firm convictions that they scorned and hated what is written in My Scriptures, about My Mother, and My Eucharistic Presence. It is commonly called alchemy by some protestants who do not understand the power of the Holy Spirit in relationship with this gift the Lord has given us. --

Continuing He said, they have chosen to ignore those Scriptures I used to illuminate them as to the truth of My Body and Blood under the appearance of bread and wine. They have chosen to slander My Mother even though I declared in My Word, "All generations shall call her blessed." And I made it very clear from the foot of the cross and the wedding in Cana, that she is now entrusted with My Church and interceding for all Our Children. Yes, I said "Our Children," because it was through the Holy Spirit that she conceived, so she is rightly called His spouse. But men in their obstinate pride do not tolerate that a woman plays a major role in the raising up of My Body. Even though she did a wonderful job of raising Me up.

Oh, My People, I stooped to enter the womb of the Virgin. Is it such a great thing to ask you too to stoop and come to her in prayer, asking for her intercession?

The motive for rejecting her has been fear of man and being ostracized from the community of faith your parents and relatives attended. But you have awakened now to the truth of what I taught, so it is time to go deeper, and show your true respect for My Bodily Presence, and My Blessed Mother, among you.

When you walk into the court of a king, do you not bow and salute his majesty? Do you not show reverence and respect for his office? Before you sits a man of tremendous influence and power, your very life is in his hands. Is it too much to ask of you to show this kind of respect for the God of Heaven and earth in your midst, hidden under the appearance of Bread?

I tell you the truth, your faith and ability to operate in true faith, very much depends upon your respect for My Presence. If you are lax with the Eucharist, you will be sloppy and lax with your faith. So much depends upon what you believe in My Presence. Adoring angels accompany Me everywhere I go in My Eucharistic Presence. If the ambassadors of Heaven bend the knee to adore Me, how much more should you, My People, respond to Me with great dignity? Try Me in this and see if your heart does not become enlarged with Holy Love.

This reverence, respect and profound adoration is the mark of a chosen soul who has responded to grace in a way befitting a consecrated soul. I do so wish to lavish My Love and choice graces upon you My Children, I am only waiting for the prideful leaven of this world to be cleaned out of your hearts so that you may sincerely bow in My Presence, that I may inundate you in My Glory and Love.

Lord, what should they say or think when they come into Your presence?

Jesus continued, it is the attitude of heart that is most important, it must be sincere. Do not ever reverence Me for the sake of showing others how pious you are. Simply say, "Jesus, I love and adore You. Make my heart Your holy habitation." And if you cannot kneel, just bow from the waist to salute Me. But My dear ones, be sincere, do nothing to impress or please those watching, for that is obnoxious to Me.

I am not meaning to be stern with you precious family, rather I am opening a secret door into the treasure of My graces. I wish for you to cultivate more sensitivity spiritually, and this will happen as you adore Me in Spirit and in Truth. The more time you spend with Me in the Eucharist, the deeper will you be imbedded in the supernatural realm of Holiness. Your sensitivity to My Presence, Father, Son and Holy Spirit will be fine-tuned and accurate by this practice.-- --

You will find yourself wanting less and less of the earth's consolations in food and material things, and wanting more and more One on one time alone with Me. You will also begin to enter into the mysteries of My Passion. Once you embrace these things with your whole heart, temptations will become less frequent, and when they do come you will recognize the enemy's presence almost immediately.

I am not leaving you alone in this practice, I am now, as we speak, distributing graces to each heart longing for them. Those who long for the things of Heaven and despise those things bound to the earth. I am with you and I am anointing and opening your heart to receive My depths.

Well that was the end of His message. I would like to conclude with some readings from the book, *In Sinu Jesu*, which means, *On the Chest of Jesus*. The full title is *In Sinu Jesu: When Heart Speaks to Heart*. I've been using this book for Rhema readings from the Holy Spirit and they are so rich and anointed, I linger on them and underscore several quotes making Rhema cards with them. You can hear the pitter-patter of rain on the roof. We were supposed to get a nice, quiet snow storm but instead we are getting rain, praise God, we can always use rain.

So, beginning on page 145, under Monday, March 1, 2010. Suffering and adoration are two expressions of the love that I desire to see burning in your heart. Suffer in love for Me, and adore Me out of love. It is love that gives suffering its value in My eyes and in the eyes of My Father, and it is love that makes adoration worthy of Me and pleasing to My Heart. This is your vocation: to suffer and to adore, always in love. The love that reaches Me through suffering is a source of graces for the whole Church. The adoration offered Me out of love consoles My Eucharistic Heart and wins an immense outpouring of graces for the sanctification of My beloved priests.

Suffering, for you, is the humble acceptance of every limitation, fatigue, humiliation, disappointment, and sorrow. It is the joyful acceptance of infirmity and weakness. It is adhesion to all the manifestations of My will, especially those that you are incapable of understanding in the present moment. Suffering offered in love is precious in My sight. Accept the sufferings that I allow and that I will for you; thus, you will participate in My Passion through patience and accomplish the mission that I have entrusted to you.

Adoration is the second aspect of your vocation. In adoration, and from it, as from an ever-flowing fountain, you will receive the love that makes suffering precious and makes you like Me in the hour of My Sacrifice on the altar of the Cross. The more you adore Me, the better equipped you will be to accept suffering and to live it in union with My Passion, for the renewal of My priesthood in the Church and for the redemption of the souls of priests held in bondage to the forces of evil. And here I would like to

substitute the word priest for presbyters for some who might not understand the function of a priest. Because there is a difference between those who are anointed as presbyters and the general exhortation that we are priests of God.

Adore Me more generously; make the offering of your time out of love, trusting in My power to bring about the impossible, and you will see wondrous things. Adore Me more generously and I will bless you more abundantly. Show Me your willingness to be the adorers that I have been asking you to be for so long a time already, and I will show you that I am faithful and that I will accomplish all that I have promised, even down to the last detail.

It is your failure to adore Me generously and freely that impedes My work and delays the manifestation of My glorious providence among you. Give Me the first place and I will attend to all the rest. Such is My promise to you, and I am faithful to My promises.

He goes on to say, I am about to carry out the plan for the renewal of My priesthood that for so long I have held within My Heart. These days of shame and of darkness that have come upon My priests in so many countries are about to be changed into days of glory and of light. I am about to sanctify My priests by a new outpouring of the Holy Spirit upon them. They will be sanctified as were My Apostles on the morning of Pentecost. Their hearts will be set ablaze with the divine fire of charity and their zeal will know no bounds.

They will assemble around My immaculate Mother, who will instruct them and, by her all-powerful intercession, obtain for them all the charisms necessary to prepare the world--this sleeping world--for My return in glory. I tell you this not to alarm you or to frighten anyone, but to give you cause for an immense hope and for pure spiritual joy.

The renewal of My priests will be the beginning of the renewal of My Church, but it must begin as it did at Pentecost, with an outpouring of the Holy Spirit on the men who I have chosen to be My other selves in the

world, to make present My Sacrifice and to apply My Blood to the souls of poor sinners in need of forgiveness and healing. They will preach My word in the power of Saint Peter on that Pentecost long ago, and at the sound of their voices, hearts will be opened and miracles of grace will abound.

So that was one reading that I thought was important and there's another one which is from Sunday, April 29, 2012. Starting on page 231. Let My adorers take their place before Me. Their faith, their hope, and their surrender to My merciful love will cause a great tide of healing love to pour forth from My sacred side and radiate from My Face. Thus, will My adorers, without leaving My sanctuary, become also My apostles: messengers and instruments of My merciful love and of My burning desire to gather in the lost, to bind up the bruised, to tend the wounded, and to heal the broken-hearted.

And I want to take a moment here and just repeat a quote I am very fond of Henri Nouwen had said that we who live in a monastic setting are at the hub of the wheel the spokes radiate out to the rim of the wheel. So, we in this position are praying and graces are being released through those spokes to the very rim. Those who are out in the world are being empowered by our prayers, and that is why the monastic life is so much under attack. People do not understand that we live in seclusion because we are praying for the world, because we are close to the Heart of our Lord and we share in His sufferings. How He feels when world events happen. How He feels when He's falsely accused, when His ambassadors are falsely accused. How He feels when there is sin in the Church. We keep Him company and we comfort Him, but we also pray for the world and graces are released through the spokes of that wheel to the rim, to the workers in the harvest fields. The ones that are boots-on-the-ground so to speak. They are receiving the graces released through our prayers, so truly we are apostles and messengers and instruments of His merciful love. Thus, will My adorers, without leaving My sanctuary, become also My apostles: messengers and instruments of My merciful love and of My burning desire to gather in the lost, to bind up the bruised, to tend the wounded, and to heal the broken-hearted.

I am speaking to you now as I have already spoken to you in the past, and as I will continue to speak to you for your own sake and for the sake of those who will read My words. My love for you has not diminished, nor have the dispositions of My Heart towards you changed. I love you tenderly, faithfully, mercifully; and I will draw you into the embrace of My friendship, and hold you close against My sacred side until, at length, you come to abide in My Most Sacred Heart, the sanctuary of My elect, and the refuge of poor sinners.

Trust My love for you, and go forward, acting boldly and bravely, for I am with you, and this work is altogether Mine. It is a work of My merciful love for priests, for the men I have chosen out of millions of others to be the cherished friends of My Heart and intimate sharers in My Passion of love.

Allow Me to love you, by coming before Me and by remaining in My presence. This is what I ask of you before all else. Seek Me first, and you will discover that I will provide you with time to come before Me. Listen closely to My inspirations and to the suggestions that I make through your guardian angel, through My Immaculate Mother, and through our friends, the saints who I have charged to support you, to guide you, and to walk with you in this life.

All of these are co-workers with the Holy Ghost, acting in union with the uncreated Love that is the bond of My union with the Father and with all My elect, the saints in heaven and on earth. Nothing done by My saints in heaven is accomplished apart from the Holy Spirit, and all My saints do, by way of sign and miracles, manifests the creative power of the Holy Spirit at work in the Church, not only through the sacraments I instituted and gave her, but also through the intercession of the angels and saints in glory.

Love me, then, and trust in My love for you. Ask the Holy Spirit to inflame you with same fire of love that burns in My Sacred Heart and in the hearts of all My saints. It is in the prayer of adoration that this love grows strong, becoming a fire that gives light and warmth to all who approach it, burning in the hearts of My loved ones. And that was a selection from In Sinu Jesu,

When Heart Speaks to Heart, the journal of a priest at prayer, a Benedictine Monk.

Well thank you my dear ones for your continued prayers and support, I truly appreciate it and we are all growing so marvelously on the Refuge. It's quite amazing to see the spiritual growth, it's the Lord totally. And I thank you for being a part of it. I bless you now in the name of the Father, and of the Son and of the Holy Spirit. May His presence, may His wisdom, may His peace infuse and strengthen you. Amen.

CRY OUT!! DEVASTATION IS COMING!!! REPENT

September 12, 2020

The Lord prepare your hearts dear Heart Dwellers, this is going to be a time of extreme suffering that is coming upon the world and this nation. All morning I keep hearing the song, Prepare Ye The Way of The Lord, Prepare Ye The Way of The

Lord and Cry out full throated! Do not withhold the truth about the sins in your midst. Speak boldly against the sins of the people!!

As I sat before the Lord in the blessed Sacrament, I saw a huge rolling cloud of darkness that seemed to be coming from the north, sweeping in and spreading over the great plains. Jesus said, hard times are coming, and they must come because My People have not yet repented of their excesses and careless lifestyles that have become an idol. In a way you could easily say, this lifestyle is an American idol that all worship and study and apply their lives to attain.

What I mean is that a certain unrealistic standard has been set by greed, avarice, and social posturing and injustice. While your president is working so hard to prop up the economy, he has missed the forest by just looking at the trees. His whole life value system has been oriented on success in business and opulence of lifestyle.-- --

While he has held to some moral standards, much has been lost through compromise and his conscience was never properly formed. The begetting of riches has nothing to do with the good life. Those who live the good life are more often than not, very poor but happy because their conscience has nothing to accuse them of. But the rich stay awake at night planning how

they will increase their wealth. There are some rich who have the right value system. I want you to know here dear Heart Dwellers, this in no way is to detract from our president, President Trump, because he is a wonderful man with the right vision for the nation, except for this one blind spot about opulence and riches. But other than that he is worthy and skilled, highly skilled and is bringing this country in many ways out of the depths, but a big pruning is about to happen for our country and I'm not talking about the president, I'm talking about us, individually, who are responsible. So that's just to clarify, this is a good man who has been doing a wonderful job, but he has got a blind spot.

Continuing with what the Lord was saying, He said the good, the wealthy of this country, they are aware of their responsibility, their responsibility to the world to share what they have been given. That's right I said 'given'. Some would insist they had earned it. But in truth they were given opportunities and talents others were not given and so I wait to see if they will realize how good I have been to them in supplying them with intelligence, opportunities and resources. It takes great moral conviction and character, to use these resources without incurring the punishments of Hell upon them and their offspring. In other words, there are those who use their wealth for the kingdom, and those who hoard it till the day of judgment and their destruction.

To have riches is a great trust, to use them properly is a great grace. Anyone can make money and spend it on their fancies, but it takes a man or woman of great integrity to look out for his neighbor and even his neighbor's neighbor, at his own personal cost. In other words, those he does not know and has no personal interest in, and this is the Lord speaking dear ones.

Secular Humanism which is another name for Satanic doctrine has become the moral code because while you were busy working to increase your wealth, the Devil's agents slipped in their life values and substituted them for Christian values under the phony guise of helping humanity. Look at the tenets of faith of the Church of Satan. You will see a stark resemblance and correlation between secular humanism and satanism, which has become the

modern-day value system of those who have been and who are rising to leadership positions. Do you not understand? These people believe they are doing good by taking over the rule of the world.-- -- They see themselves as saviors, born to set the world straight by controlling and manipulating the laws of nature, the healthy conscience, and creating monstrosities in laboratories, while teaching all to scorn Christian Truth, in favor of their own tenets, which seem innocent enough on the outside but are in truth a white washed exterior to hide the workings of Satan to destroy the world and everyone in it. And my comment would be, they don't know what they are doing. They really do think they are doing the world good. They don't see that they have been misled and lied to. Jesus continued, they believe they are a superior race that has the privilege of setting the world straight and controlling it without God. Indeed, they see themselves as the gods responsible for the propagation of man on earth.

Oh, My people of America, some of you have done valiantly with your earnings, others have shamelessly given reign to greed and avarice, storing up for themselves the pains of Hell. What I am saying Clare, is that your president is a highly skilled man with an improperly formed conscience. Since he has been in office, that has been changing for the better. Yet there is still a stronghold of injustice because he is not a father to the poor. Your country has elected a highly gifted man with a moral issue, and he must learn the true values of life on a deeper level than ever before. I am with him in this and he will learn. He is a stunning archetype for the successful American man, and this is why true humility must come to him and this country. He is the picture of success to so many who feel they are living the American dream, but they will soon awake to the American nightmare.

I wish for all My People around the world but particularly in America, to repent for their opulent lives of excess and learn the meaning of sharing. Because advertising and their parent's self-serving examples have painted a picture of what is right and good, an upside-down picture. They have missed the most important calling of their lives, to put Me first and to share with the poor.

The injustices done to the poor of the world while corporations become richer and richer cries out to Heaven and your God has heard them. The complaints stacked up in the courts of justice in Heaven outweigh the good deeds. Something is fundamentally wrong with America and it has nothing to do with the resurgence of the economy. Your president is presenting this as a platform upon which he stands to remain in office in part. Yet I am looking at the greed, lust, and outrageous lifestyles in this country that cry out to Heaven because the poor have been exploited. This president has done much good but his fundamental thinking is askew, he does not realize that My standards are totally opposite of this financial standard. Neither do the people in general see their sin. This sin has opened the door to the coming chastisement of this nation in particular.

Wake up America, Wake up!!! The time of your judgment is upon you. No longer ignore the cry of the poor in your midst and in the world, no longer store up for yourselves treasures on earth because in less than it takes for a heartbeat to be completed, these things will burn. If you want My protection, not only must you live by My statutes, but you must be a father to the nations, bringing justice and equality and ending the exploitation of the poor.

These things should be made illegal:

Genetically engineered plants that steal reproductive seed from the poor. Did I not make everything capable of reproducing and growing? Why then have you stolen this essential gift from the poor? You will answer to this crime, and all the others you have committed against the poor to make their lives intolerably hard.

Pornography which abases men and women to become like animals and give place to demons who execute unspeakable devastation to human beings while they inhabit them and commit gross crimes. Pornography should be illegal in your country America. Wake up! Your sins cry out to Heaven and the gavel is about to sound destruction.

Abortion, you know well you are slaughtering the innocent and you have only to look at New York City to understand the consequences of this heinous sin. I have been merciful to this city, but justice cries out, the scales are tipped and they are not in that city's favor.

Sex trafficking: You have done well to wage war against sex trafficking and the alien demons in your midst, but why do you allow corporate laboratories the freedom to commit unspeakable crimes? And to create human animal hybrids, and soulless people, programmed to obey any command no matter how evil. These corporations are greedy criminals, not scientists, they have done irreparable damage to the souls I have created to thrive and enjoy life on this earth, to have the necessities of life and joy.

Witchcraft, this should be absolutely illegal. Satanism and witchcraft should be illegal. Period. These who indulge in secret arts are destroyers of mankind and the earth. They take their orders from Satan, whose only agenda is to cause unspeakable pain and death, and to destroy the earth I created in fertility, as well as men and women who have been given the breath of life. These are murderers and thieves in your midst and yet you allow them in the guise of religious freedom??? Freedom to do what??? Steal, kill and destroy, plot against the innocent and corrupt mankind with lies and promises of endless power? Why America, do you allow this in your midst. I do not wish to visit your sins upon you, for I am a God of Mercy and I love all that I have made, but you condone the destruction of this by allowing Satanism and wicked cults to survive. Do you not see the correlation between drug captive youth, sexually immoral children and witchcraft?? Do you not see that you by not addressing this evil have brought this upon yourselves?

Sex and violence in the motion picture industry. Where is your conscience buried America? Beneath the bodies of the slain who were murdered because their evil examples were taught to innocent minds, being programmed to have no understanding of decency? Do you not know that while you close your eyes to this abominable in entertainment, your children are being formed to be adulterous murderers? Do you not know

that the young are being trained to execute the good and innocent, driven by a lust for blood they were taught in video games and movies??? How can you be so ignorant as to allow this corruption to raise up the next generation to be killers and rapists? The answer again is greed and a lust for money. These things sell and make money for monsters against humanity, and under your very own roofs such things are taking place. Most of the time without your knowledge.

Gender confusion: this is being taught to erase the moral character and extinguish the human race from the earth, as well as the conscience of children who do not know better and you allow it??? Where are you America, where are you? Working extra jobs to make more money for your lifestyle while your children are learning how to torture, rape and kill on the video games you paid for. While they are learning the destruction of family values, in favor of same sex marriages. Where are you?

These are but a few of the blatant injustices- so many others, yet there are so many others having to do with the military and controlling other countries by stirring up riots and deposing rightfully elected leaders, destroying the environment with experiments that harm the lives of human beings, that pollute and destroy the environment and cause innumerable sorrows among the people, their own people. Betrayers of the American life, sorrows they have earned of their indifference to the sins being committed around them. These sorrows the people have earned because of their indifference to what is going on around them.

YOUR SINS! YOUR SINS! YOUR SINS AMERICA, CRY OUT TO HEAVEN FOR JUSTICE. AWAKEN FROM YOUR SLEEP, EXAMINE YOUR LIVES AND REPENT, FOR THE HOUR OF JUDGMENT IS UPON YOU!!!!

No longer will your God ignore the injustice done to mankind by your crimes, no longer will We delay that which is your due. Humble yourselves and examine your ways, see if the charges made against you are true. Shall I hear your cry for mercy when you ignored the cry of the poor in your midst?? Judgment comes from the north; Judgment is at your gates. Know

that I will hear your prayers when you repent of the atrocities and injustices in your midst, and make up for the indifference and the loss to those who are unable to fend for themselves. My Holy Spirit is with you to shine a light into your hearts that you may truly know the condition of your souls, and come to full repentance before Me, so that I may forgive your evils and injustices, and reestablish you in truth. In spite of all these things, I love you dearly. I love you and I'm waiting for you to wake up, wake up America.

Your Dryness Is For Souls

September 19, 2020

Hello brothers and sister and YouTube family. Hope you guys are being blessed.

I believe it has been a rough time for many of us but he is doing a deep work of purity and pruning in us all if we would allow it.

However, at times knowing that doesn't make it that much easier. The messages you all have heard were from about a week ago and that's why the messages have been spotty on the channel. It seemed the Lord became very silent with me. I know Blessed Mother mentioned that there are others who want to speak to us in heaven when I am not hearing from him but to keep my heart open and my hands clean to receive that grace. I found myself feeling so dry in his presence and even in prayer, just silence from him. To make matters worse I began to get rhema's and readings from him that seemed to be always corrective and admonishing me. I had been feeling so discouraged the past week and was looking to be encouraged that I may have strength to go on. However, it didn't feel like I was getting that from Jesus. He is my best friend, my confidant. My counselor, my boo as I call him. He is my everything so when I am not right with Jesus, I am just not right.

I would sit before him in adoration and I would hear Holy Spirit give me psalms. The first day was plasma 5, the next day was Psalm 13 which read "

How long, Lord? Will you forget me forever?

How long will you hide your face from me?

2

How long must I wrestle with my thoughts

and day after day have sorrow in my heart?

How long will my enemy triumph over me?

3

Look on me and answer, Lord my God.

Give light to my eyes, or I will sleep in death,

4

and my enemy will say, "I have overcome him,"

and my foes will rejoice when I fall.

5

But I trust in your unfailing love;

my heart rejoices in your salvation.

6

I will sing the Lord's praise,

for he has been good to me.

Then following day was Psalm 69. All these psalms continued to confirm the feeling that Jesus was hiding himself from me. I began to really examine my conscience and with the rhema's I was getting repenting of my sins and of the ways that I had offended the Lord. I would be hurting and when I went before him it seemed to feel like another admonishment even with the songs Holy Spirit picked. I then began to have resentment in my heart towards Jesus, I know guys but just being honest it's not pretty. There were days where I felt like I couldn't look at him although I came before him my heart wasn't right. Then there were other days I came anyway like a child wanted to be held by their Father and other days a bride wanting to me loved by her spouse. However, all I felt was coldness and silence, but I still kept coming hoping he would finally breakthrough. Then I got a reading

this particular morning from St. Faustina book Diary of Divine Mercy in my soul about her willingness to submit to Gods will whatever that maybe it read

"Jesus- Host, whom I have this very moment received into my heart, through this union with You I offer myself to the Heavenly Father as sacrificial host abandoning myself totally and completely to the most merciful and holy will of my God. From today onward your will, Lord is my food. Take my whole being dispose of me as You please. Whatever your father hand gives me, I will accept with submission peace and joy, I fear nothing, no matter in what direction You lead me helped by Your grace I will carry out erecting You demand of me. I no longer fear any of Your inspiration nor do probe anxiously to see where they will lead me. Lead me, O God, alongside whatever roads You please; I have placed all my trust in Your will which is for me, love and mercy itself.

Bid me to stay in this convent, I will stay; bid me to undertake the work, I will undertake it, leave me in uncertainty about the work until I die, be blessed; give me death and when humanly speaking my life seems particularly necessary be blessed. Should you take me in my youth be blessed should you let me live to a ripe old age, be blessed. Should You give me health and strength, be blessed, should You confine me to a bed of pain for my whole life be blessed. Should you give only failures and disappointments in life, be blessed. Should You allow my purest intentions to be condemned, be blessed, Should You enlighten my mind, be blessed. Should you leave me in darkness and all kinds of torments be blessed

From this moment on, I live in the deepest peace because the Lord Himself is carrying me in the hollow of His hand. He, Lord of unfathomable mercy, knows that I desire Him alone in all things, always and everywhere."

After that I began to hear Jesus speaking as I came before him to begin writing

Jesus if this darkness I feel I am in is your will then I submit to this. I keep thinking at least speak a word for the sake of our children, but if that is not

in your will Lord I submit to that

Jesus began,

"I am right here my beloved little one. I have never left; this is all for souls beloved souls. I wanted you to experience what many souls are feeling in this hour. So many are lost, evading my presence and are under so much condemnation from the devils to give up. They are in need of much of my grace to sustain them and to cause them to not wander completely away from me to be lost forever. This is a cross I am wanting you to carry my little one so these precious souls can draw to me."

Lord I am willing to do anything if it pleases you and especially for souls. It's just been so hard when I felt under constant admonishment and correction from you. I've been looking for a word of encouragement to keep me going, but it seems I just couldn't find any from you Lord. It did feel as though you were hiding from me and hiding your love because I felt such coldness although I know it's impossible for you to do that.

Jesus responded,

"My beloved little one knows that I will never take my love away from you. It is my love that sustains even life on this earth and within mankind. Everything is held by my love dear one and you are greatly loved and cherished. Remember this past week you've been having a burning desire to see lost souls come to me. You have cried in the wee hours asking me, Lord how can I draw more souls to you, more souls to your love that none would perish do you remember?"

Here guys he is referencing to the burning desire he put in my heart after listening to Mary Baxter revelation on Hell. She was taken to Heaven and Hell for 30 days straight so that she may come back and tell the world of Jesus and that hell is real. I will provide the link to her audio book in the description. There were so many souls crying out to God for mercy in hell and Jesus was even crying at times. It made me cry as it was too late for so many souls. One soul was in was raised in witchcraft and asked Jesus for

mercy. Jesus then looked up to heaven and said" Father mercy, please have mercy" and the flames in hell died down for a little while. I was amazed at Gods mercy thinking I too have witchcraft in my family and it could've easily have been me instead if it wasn't God's mercy and grace over my life even in my mother's womb. There were so many, even Christians who once knew the gospel but didn't live it and died in sin. Jesus told Ms. Baxter to please share her message so many souls would repent and receive his mercy for salvation. I began to think Lord what more can I do, please I want the whole world to know about your love and infinite mercy that souls wouldn't go to hell or follow Satan.

So, I responded,

Yes, Lord I remember I didn't know what more I could do I. know here on the mountain our prayers of intercession are powerful and so is sharing your love thru these messages.

Jesus continued,

"Well my little one, I answered and this is how by you carrying this cross of dryness, of pervading darkness and weariness out of love for me. So that many souls you are birthing and many others would taste the sweetness of my presence. That they may enter into a lively hope and faith in me and be greatly encouraged to persevere and go on. I know how much you love me and even that is all by my grace, but I know that you would never leave my side little one. So, I could trust you with this cross whereas many would continue on in their resentment, bitterness and eventually turn back to the world. I knew you would just keep coming, loving, enduring and sitting before my feet until breakthrough happened because you know I need to speak with you as much as you need to hear from me. That's why I permitted this my love to answer the cry of your heart so that many souls would come to me and many have. Stay encouraged my little one and endure a bit longer graces are falling on many, drawing them near and closer to my wounded heart. Which bring me such consolation and comfort."

Thank you, Lord, for your words of peace and love Jesus. You're my best friend, my everything. if I'm not right with you I am not right at all. I need you desperately and love you so very much! Please help me to always bless you in whatever state you desire to leave my soul, please help me in this.

Jesus responded,

"I will beloved one, I will and I am even now. For there will be many more times I will ask you to carry a cross like this beloved, you submitting to my will is the most pleasing thing to me and the Father."

Yes, Lord thank you, Lord do you have a word for our family, our children?

Jesus continued,

"My beloved faithful ones many of you are so very weary and I have heard the sighs of your heart as you continue to keep coming, keep praying, and keep believing. Even in your failures and even in your discouragement, My dear ones don't give up, breakthrough is right around the corner.

Persecution has broken out upon my body as demons continue to lie to my precious faithful ones that I am not pleased. That I am, but a harsh task master that demands but doesn't give and that you are a failure, you can't seem to do anything right. These are lies, lies, lies cast down these useless thoughts and send the demons back to the abyss where they belong. If you are finding yourself still in your trial know that I am right there with you. Never once have you been alone or will you be left alone. Remember all these things I have permitted; it is not because you have done something wrong or that I am upset with you that is far from the truth. It's rather because you have been faithful with the small things and I can entrust you with this heavy cross because I know you won't leave me. I know you won't curse my name like the devils want you too and I know you won't give up and go back to the world. As the demons continuously taunt and torment you with a life that could be much better without me. However, my dear ones you have tasted the sweetness of my presence. You have seen my faithfulness; you have accepted my love and invitation to go much deeper and I know nothing else satisfies you. So as much as the devils taunt you,

you are growing in stature and in faith. As you remain steadfast in who I am and receive my grace that will sustain you through these trails, you will overcome. Allow my grace to carry you through this storm knowing that there are many souls being nourished and saved through this cross you have consented to carry for love of me. I love you my beloved brides and I am so pleased. Come and sit with me, there I am always waiting to hold you so tenderly as I strengthen you when you rest your weary head on my heart. There I will nourish you with the vine of my love"

That was the end of Jesus message

As I shared this with my roommate, she mentioned that in the audio book "The Life of the Virgin Mary" which compiles stories of Mary's life with Jesus to 4 saints. Blessed Mother told them that Jesus allowed such a similar trial and cross with her too when Jesus was just a youth coming from Egypt. He tested her in this way by not speaking to her only out of necessity and even when he spoke it was with such coldness. He even avoided her and this lasted for 30 days. Imagine a son ignoring his Mother, but further imagine a Savior hiding himself from his creature that he loves so much. Their hearts where united however, he hid his thoughts even from her all those days. Mary humbled herself even further and began to examine her heart to see if there is anything, she had done to offend her Savior, although without sin in her great humility she said nothing but was in deep agony over this. She took it to the Lord in prayer asking God the Father to please forgive her if she had offended him in anyway. She recognized that If God wasn't speaking to her it was his will and for a good reason. After the 30 days Jesus finally broke the silence and told his Mother that it was a test of her love as she was flooded with consolation and knowledge of the mysteries of heaven in his presence, she kissed his feet. Wow, what an amazing example Mary gives us to be and to respond just as she did when the Lord hides himself from us. We who are with sin should humble ourselves even more to submit to whatever the Lord permits. Help us sweet Blessed Mother to respond as you did when we find ourselves feeling hidden from God.

"Lord, when, misery tries to make me believe you've abandoned me, help me to let go of fear and to trust that you hold me in your loving embrace. Amen"

Hospitality Acts 20:35

Take Your Stand Now America

September 23, 2020

My Beloved family...please excuse my absence. I've been going through a couple of trials; one has been just physical weakness that was off the charts and needing more rest. It has been my desire to share with others the way the Lord

confirms things to us, and in an effort to do this very thing I got a little too involved and slid off track. Sometimes the concepts are good and edifying, but our methods can be contaminated by our flesh and desires to make things 'better'. In short, I got compulsive and that age-old panther emerged from the dark lagoon of my past, so that, combined with extreme fatigue, which I don't understand the reason for, except I know some of it was intercession for the nation. Please Forgive me dear ones, I am so very human, just ask my family on the mountain and they will tell you, "Yup. She's a piece of work all right". And what's worse, I learn very slowly from my mistakes. God forbid that should happen to you. In other words, I tend to repeat them, because I have strong self-will that is not totally crucified yet. We are working on it though. When Lord when? When will I give up this obnoxious self-will? I thank God for you and your prayers heart dwellers, the Lord knows I need them. Please continue to pray for me to stay on track and not allow the enemy to lure me away from sharing with you the Lord's heart. There is so much He has to say during this time.

And temptations can be so subtle...a good thing...that takes you off track just a little degree and along come more temptations while you are doing that and you get off another degree and another degree. The enemy knows our weaknesses and that they are an occasion of sin. I'm sharing this with you Please, avoid all occasions of sin. Be especially wary during this time

of the year when we can all be led astray by sentimentality that leads not to healthy relationships and honoring God but to greed and avarice.

I believe we sometimes are allowed to fall because of judgment of others. And I certainly hate those fiery darts that come seemingly from nowhere to falsely or rightly accuse someone. Sometimes it is my impatience that causes me to judge, other times I see an unwilling attitude in another. And instead of reminding myself of how often I've been unwilling, I get upset about it. Rather than doing violence to my rash judgement, I let that thought land and become a bitter seed. And Bitter seeds are highly dangerous, they send out roots from your heart and overtake you. Please dear family, repent of them immediately whenever you feel bitterness in your heart.

I have been guilty of this and it has opened the door for me to be humbled with my own weaknesses. Some of my friends out there even pray I will fall into judgment and be chastised by the Lord...God bless you dear souls, you are teaching me to exercise more charity, and self-control, because the ultimate result of my foolishness, is well summed up in a saying...the road of excess leads to the palace of wisdom... and humility I might add. Amen.

Getting to the matter at hand, what's really on our Lord's heart right now, and our nation, as the fires increase and rage in our country, so do the witnesses who have seen fireballs coming from heaven and landing with a plume of smoke. These are asteroids that accompany the inbound Planet X and according to Mike from Around the World, this is only the beginning.

I have sought the Lord about the fire from Heaven and tonight I listened to Mike from around the world, He's on Soundcloud, and his channel is called Counsel Of Time and every Thursday night he gets together with Paul Begley and shares things that are going on in the world and he has a lot of wisdom about the climate and military things which are not top secret but they are very interesting to hear and understand the dynamics between nations, he also has a very good handle on that, and I don't normally listen to outside sources, but this is one that the Lord has brought to my attention, so I always double check with Him whether or not he's accurate. Sometimes for me it helps to hear input from others and bring it to the Lord for

verification. So, I am asking You Jesus, was what he said about the current state of our nation and the world, was it accurate?

Jesus began, "Clare, you know I prefer to give you things directly, but I do allow for moments when you can receive outside information, and the answer to your question is that his information is highly accurate, but never attach a time frame to anything because prayer changes things. And there are far more variables that affect timing than any human intelligence can calculate. Only I know the times, yet you do know the seasons, and these are the seasons of the end times.

You have been very much distracted and scattered with your project, and have lost your fine tuning with Me, my dear one. As you choose only Me and not to engage these other activities that rob us of our intimacy, your thinking will become clearer and you will better discern when I want to begin a message with you. Yeah, that had been a problem, my attention was not on the Lord's voice, it was on gathering materials for this project. Jesus continued- Thank you for corresponding to grace My Love and setting those things aside so we may go deeper into what is happening in this world.

First of all, your country is in an unparalleled crisis, beyond even civil war, and the potentialities for chaos are even greater. Yet the prayers of My people are like a silver thread of sanity that penetrates all those souls belonging to Me and open to the truth. Many refuse to entertain the seriousness of what is happening now in this country, because their focus is prosperity, having a nice holiday, buying gifts, staying safe from the China viruses. Yes, I said in plural, viruses, because there are far more than one.

This preoccupation with wealth and wellbeing has kept some conditioned Christians from recognizing the great danger your nation is in. It is a fact that when the enemy wants to discredit truth, he presents it in a blatantly scornful and humorous light. That keeps even the intelligent people in line...not wanting to be labeled as conspiracy theorists and thereby lose their credibility and respect in the community. This tactic has always worked to shut down the weak ones who really know what's going on. And

when I say weak, I mean morally corrupted because of their attachment to riches and lifestyle their position in society.

To protect their lifestyle, they avoid every semblance of conspiracy theory.

My love, I am protecting this nation, yet she still has much to go through to discover her true value and worth. There is no nation on Earth like America and Satan hates her with a passion. That is why he has worked so hard to bring down the government and make it captive as he has done with others. My Chinese believers that listen in, they can tell you what it's like under that. And that's the way we're headed if we don't vote for Trump. Continuing on with the Lord,

Your president has struck the heart of Satan's army with a lethal blow, he has gone for the jugular and all the well laid plans are coming down like dominoes. Yet you are not free from danger yet. This election is very critical, and by no means should you slack off on prayers or voting. This is a very critical time to make your voice heard.

I cannot stress it enough My Christian people, shout it from the roof tops, your country is going to be rent in two with an unavoidable conflict between good and evil, and if you are not listening to Me very carefully, you will side with evil.

Dear ones, we have a responsibility to protect the unborn, whether we like or dislike a candidate, whether they support our personal concerns or are indifferent to them, we are the only ones who can stop abortion in America, which opens the door to God's judgement. Just look at New York City, and you get a good picture of how those who support murdering babies in their mother's wombs, have incurred God's wrath. I just don't understand it. To continue with what the Lord was saying,

No one wants to be ridiculed or looked down upon. It is a truth that all My Prophets had to learn to conquer their fear of ridicule before they could be entrusted with national business. And here you are My people, at a

crossroads...will you stand for truth and justice or will you tread water and play the status quo?? The fate of your children rests in your hands.

Awake from your slumber My People and stand upright for justice and truth. If you want your country, you must break the spell of the lying media and the lies that's cast over your thinking and embrace the hard facts as they are. The truth. Remove yourselves from your comfortable couches and declare what is right. Risk being ridiculed and ostracized, but do not risk your souls or your freedom.

There is truly an opportunity for your country to be great, it all depends on her people and how faithful they are in the midst of a corrupted generation formed with Satanic morality which declares all things licit. As an aside, they have injected incredibly immoral things into the school system and gotten away with it so that a lot of our young people are very confused about what's right, but those who know the Lord are not confused, they know what is right. Jesus continued. If you want this nation to survive you need to be on your knees and praying like never before. Some of you have done well so far, but others now need to join and press their hands together in praying, crying out to Heaven to make their voices heard on high.

You who have kept your voice quiet in the face of what is really happening, are already captive and useless in My army. What will you do when faced with your execution for My Name's sake? How will you respond at that final moment of truth? Will you deny your Lord or stand for Him? You see, I am calling you out of the army of ridicule where you have been bound and held silent. I am calling you now to speak up and declare what is right. Do you have the courage? I am teaching you on a gradient scale to do what is right so that if that moment comes in this life you will have the courage to die for Me if you must.

But those of you who love the world and its benefits, will not survive the trial of faith that surely will come to your door. You are still so attached to your lifestyles of affluence that you will not risk bodily death for Me. This is the hour for you to turn from your ways and embrace the possibility of martyrdom, begin with declarations of what is true and right and you will

be prepared to renounce your life for Me, if that time comes. Those of you who already have reached this point of commitment will be raptured, but there are far more Christians who have not, and they will be tried in the fire.

I am standing with you America. I am dispensing graces to live for and declare the truth. I speak to your conscience in quiet moments...I tell you that you are needed in this war, please do not turn your backs on Me or on your country. Take your stand NOW. The graces are flowing like a river for you to be strong and accomplish that. I love you and I bless you now, and I am with you, every moment of your life. Be strong in Me.

Take Your Stand Now America

Was it President Trump in that Dream

September 28, 2020

My dear heart dwellers...I come to you with a heavy heart and an urgent request and plea to do all you can to save our country at this time. The Lord has been warning us for quite a while that certain serious things must take place in our nation

as a wakeup call and in this hour, we are at the very cusp of these events. Timing is everything, and in this hour, I believe we still have a chance to turn things around.

The last broadcast of Mike from Around the World, was a real eye opener. Along with what he had to say was the fulfillment of what he predicted with incoming asteroids. We have experienced a notable increase in asteroid showers, but he is saying that asteroid storms are coming, not showers. The Lord has confirmed that he is accurate, very accurate. But the Lord has also talked about timing, and not to assign time frames to these prophetic and scientific predictions.

Why??? BECAUSE PRAYER CHANGES THINGS!!! But we have to understand the great seriousness of these things in order to apply our whole beings, our hearts, minds to intercession to mitigate and even stop certain things. God responds to prayer, people, truly He does.

Thursday night, September 24th this year 2020, Paul Begley interviewed Mike from Around the World who talked about a dream he had at least 20 times about a funeral scene that took place on stone steps in Washington. When he saw the televised funeral of Ruth Bader Ginsberg on the stone steps of the supreme court building, his heart fell into his stomach. This was

the very scene he saw before the devastation of our nation. In the dream, this scene had taken place afterwards, there was another casket on the stone steps, with someone inside it who he clearly recognized but would not tell Paul who it was. At the same time, this person was in the casket, the American flag which was draped over it began to also fall into the casket, disintegrating. I am convinced it was Donald Trump, in that casket, and the symbolism of the flag falling into it was the end of the American nation along with an end to him.

In his dream the nation was in total chaos, military tanks were lined up around the Capitol, side by side as thousands flooded in in a complete uproar and inconsolable. The Lord pulled him above the view in Washington, to see the whole nation and he saw there were protests everywhere, in every city of our nation, people were flooding the streets in an uproar.

In the same dreams, and at the same time down on the Mexican border an earthquake was taking place, and this quake was the beginning of shaking and removing the land mass that acts as a wedge to hold Southern California and keep it from breaking off into the ocean. It began with small swarms that everyone wrote off and then when they settled down after protesting around 4pm, it finally happened. He heard a very loud crack and saw vehicles on the freeway slide sideways against the railing as they turned in a 45-degree angle, skyscrapers and all and plunging into the ocean.

It just so happened that a quake in Mexico recently had split the ground open for two kilometers the day Paul was interviewing Mike. Mike spoke up and said that fissure in the ground was part of that wedge that holds southern California stable.

When Mike from Around the Word saw Ruth Bader Ginsberg on the stone steps this week, his heart fell into his stomach, because this was the very scene preceding the tragedy in his 20 or so dreams. When he came on Paul's show, he said he was very nervous. That was uncharacteristic for him as Paul remarked, but it was because of the gravity of the Ginsberg scene on

the Supreme Courts stone steps that preceded our nation's devastation, that he was nervous. So, I went to the Lord and I said,

Lord, is this true? Can this be prevented? Jesus please speak to your people.

"I have been grieving for this day. Many of My closest friends have joined me in this grieving and kept My shattered heart company. Yet there is some hope. The judgments against America have weighted heavily in the scales, that is the reason for the vision on the Supreme Court's steps. This is about judgment. Not the judgement of man, but the judgements of God, against this nation.

What can you do My People? Truly, what can YOU do to stop this horrific event. There are some things that cannot be stopped, but I tell you the truth, you have kept Donald Trump alive with your prayers. This is a clue for you My People. Keep praying, keep praying, keep praying. Here is what I want you to pray:

"O Blood and Water, which gushed forth from the Heart of Jesus as a fount of Mercy for us, I trust in You. Save our President and Our Nation." And I was looking at that in practical light thinking, "Well, if I am going to be saying this all the time, I might shorten it a bit and say

"O Blood and Water from the Heart of Jesus, I Trust in You, save our president and our nation!" but that's up to you, you can use the whole version if you want to. I intend to be praying this night and day. Jesus continued:

"Pray this prayer without ceasing as much as you can. Pray nonstop. Make it the exclamation of every living breath you breath. Make it what you cry out at night as you sleep, upon waking and with every thought. Bring this to Me in supplication and see what I will do.

The situation is not hopeless and without intercessory hope, it is NOT, that is man's take, not Mine. I am telling you how to stop this My People, I am giving you the tool. Use it and you will see a turn around. There will still be great distress, but I will save your nation, yet another time. There is no

situation that My Blood cannot remedy when applied with intentionality and steadfast purpose. This is the key to your salvation and to the salvation of your country." And as an aside,

Last night after the community listened to the interview a second time, all I could repeat was, "Father have Mercy on our nation, don't let this happen. Please don't let this happen." And He woke me up at four in the morning and I was still saying it.

Jesus continued, "Because you have pleaded with My Father, I will speak of these things, and I will also tell you that your prayers are the stopwatch. Your prayers are what determines the timing and intensity of what your country and the whole world are about to go through.

These times you are entering into now (the Holiday season) are traditionally taken up with preparations, and I tell you the truth, if you allow your focus to go there, the enemy will succeed with his vicious plans to annihilate your nation, do you understand My People?? His timing is deliberate because this is the time of year when you neglect prayer. I told you before that your president had landed a death blow to many of the plans of the enemy. But you have to understand, these people are convinced they are doing the world a service by eliminating useless eaters. To them the rights of individuals go only so far, but when they conflict with their agenda, those rights must be terminated.

Understand that there are several layers to their government and replacements have been trained. For every head that is removed two more pop up. The plans have been laid meticulously to ensure that their agenda will survive the opposition.

The whole purpose of this Satanically inspired shadow government is set against Christianity, and Christianity is set against it. Their plans do not succeed because of your prayers. You My people, stand in the way of their murderous ways. When you are removed in the Rapture, then their plans can go forward."

"What I am telling you who are serious about safeguarding your nation is that if you give yourselves to materialistic folly this season, you will surely be defeated. But if you press into travailing prayer and pray every hour-yes - every moment of your day, if you do this, plans will be thwarted, and timing will be set back.

Mind you, certain things must take place, but not the complete destruction of your government which the assassination of President Trump would bring about. His life from moment to moment is in your hands, literally. Press those hands together My people and cry out, yes, even from moment to moment and his protection will continue. Live selfishly and in folly and his protection will fail. Truly, he is the last trump, and you are the ones upholding his life from second to second.

And at this point I felt led to look up the meaning of Trump. The dictionary said it's the suit having the rank above the others in a particular hand: the ace of trumps. a playing card of the suit chosen to rank above the others, which can win a trick where a card of a different suit has been led. Comes from a 16th century alteration of the word, triumph, trump is also a valuable resource that may be used, especially as a surprise, in order to gain an advantage: in this month General Haig decided to play his trump card: the tank. Jesus continued, "And in this end of times, I have decided to play My Trump card."

"This man has been My trump card he has made great headways into the destruction of evil in this nation and the world. And because of your prayers he is alive today and continues to move this nation in the right direction. What is missing is addressing the opulence of your society, the lack of charity and humility. This is the Achilles heel of your nation. It is true that every nation reaches greatness and then declines through avarice, complacency, and decadence. "

"My people, I want to see Godliness in this nation. I want each of you to repent of your excessive attachment to wealth and give more to the poor of this world. I want to see more compassion for the little ones and less attention to the great and shiny ones. This is the one element that has been

missing in your president's platform. This element is changing, and more attention is being given to the under privileged. And this is great progress. "

"What is needed is a redefinition of prosperity in your nation. Prosperity is not multiple dwellings and holdings, homes, boats, planes, cars and toys, prosperity is having what you need for the day and looking around you seeing what others are blessed with so they have what they need. Prosperity is putting Me first. Prosperity is living the Beatitudes. Prosperity is the kindness of heart that looks after those around them even when they are not related. Yes, increase programs for them to be able to learn and work, but at the same time look after their most basic needs, food, shelter, and clothing."

"Nurture the weak among you. Do it in My Name, then pray for your president to have the very same heart. I came to relieve the crushing poverty of spirit the poor lived under. I came to show a new way of life based on prosperity of soul and freedom from sin. Look to these things and there will be no need for America to undergo a crushing blow. Look to what is right and good and holy - make sacrifices as never before in your lives - welcome the poor and show them you care. Get your minds out of personal riches and prosperity and make all around you prosperous, yet never so attached to riches that I am forgotten."

"These judgments lined up against your nation exist because of the abuse of wealth and power. Not only on an individual scale but on a national and international scale, the exploitation of the poor by multinational corporations, the destruction of licit governments to the advantage of these corporations. The wars and strife continually stirred up, all of these things with abortion at the very head have called down judgement upon you America. Change these things and live. Make laws that put an end to these things and live."

"Your president is aware of many of these things. His awareness grows daily as I infuse him with understanding and knowledge. He has gone after the gross injustices of child trafficking and abortion. He is leading the way in many areas, yet the definition of prosperity in America must be changed

from one of personal wealth to national wealth and well-being, while focusing thanksgiving on Me, not on your own prowess."

"What I am saying to you My People is that there are indeed plans to murder your president, with 24 attempts already made since he took office, Your prayers have held back the bullets, your generosity in giving and even travailing prayers can continue to protect him, but your hearts must change from personal gain and avarice to national and international advantage and health, with Me at the helm of the ship and acknowledged as the one who provides these things for you."

"Pray this prayer without ceasing, beginning right now in this moment, "O Blood and Water, which gushed forth from the Heart of Jesus as a fount of Mercy for us, I trust in You to save our President and Our Nation."

"I wish this prayer to be prayed by the people of every nation, both for America and for your countries. At the very, very, least you will be protected from the wrath to come. Your hearts of travail and intercession have won for you the protection of the Almighty. Do not neglect to say Psalm 51 and 91 in your dedicated prayer times. There is nothing My Heart responds to faster than the contrition of a sinner, or even the contrition felt by another in the place of a sinner."

"My last words to you, America, there is hope. There is hope. There is hope."

Even Concrete Can Be Broken By A Seed

September 30, 2020

The Lord bless you, dear Heart Dwellers. I wish I could have gotten messages to you sooner, but we have been having technical difficulties, one after the other. So, forgive me, uh,

it's not my intention, just getting some opposition as usual, but the Lord has broken through, the blood of Jesus, that cleanses even our equipment! Anyway, this morning right after receiving the Lord in Holy Communion, He began speaking to me. He said,

"I have seen your tears, My Heart Dwellers, I have followed the sounds of your supplications and faithful cries to My Father. Continue in this mode, do not grow weary in well doing. We have many obstacles to overcome, many situations to overcome that without your prayers could be fatal. I want you to know that there is nothing prayer will not exert an influence on."

Ok, so I'd like to digress for just a moment and share this story with you, and I think I've shared it before, but for you newcomers, this is about a young pastor, his wife and children. The pastor's wife had a baby girl, and many who visited his church that had a word of knowledge would grow very quiet when they prayed for him. After encouraging them to speak of what they saw, they warned the couple time after time that she would be kidnapped. A prophet would come to his church and when speaking prophetically over the couple would become very quiet and downcast. Then they would tell him, I am so sorry to tell you this, it's about your little girl. She's going to be kidnapped. This didn't happen once or twice, it happened

year after year after year, every prophet that came to that church grew very quiet and sad when they went to pray over the couple. Then they would tell them, "Your daughter is going to be taken from you."

But this couple DID NOT lay down with it. On the contrary they prayed protection over her relentlessly and never went into agreement with that dire word. And eventually, thanks to God's grace and protection, she grew up strong in the Lord, and was never kidnapped. In other words, family, rather than collapsing and agreeing with dire prophecy, God wants us to raise up a standard of prayer that shakes the Heavens. These visions and dreams do not have to manifest if we stand resolutely in the gap. The Lord gives us these visions and dreams to warn us so that we will pray.

Jesus continued, "Though it seems cast in concrete, even concrete cannot withstand the relentless prayers of My Saints. Have you ever seen a delicate flower crack a slab of concrete and bloom in the open? I see, hear, feel, everything that takes place in your deepest being, and I in turn am moved to respond in My deepest being. It is a good thing that this is been brought to the light" He's here talking about a dream that we believe was about President Trump being in a casket. And this is bring brought to the light and talked about because it stirs you My Faithful ones, into action through prayer."

"If things were presented in a light that everything goes well and your president will live through his second term, no one would be praying as they should. So, I do not fault these vessels for bringing these things to light. What would be tragic is if you just laid down with it and said, "Oh these things are set to happen, and nothing can stop them." How far from the truth you would be!! It is NOT My Heart for this to happen, for the President to be assassinated, or for the nation to go into total turmoil."

Ok, as an aside here, as a matter of fact I just listened to Jeremiah Johnson who had a dream about Trump. He saw him standing in front of a mirror, and rather than his own image looking back on him, Abraham Lincoln was there, looking back at him. Now the parallels of their careers are striking.

Lincoln advocated for the freedom of slaves and eventually was assassinated.

President Trump advocates for the constitution, an end to human trafficking and abortion and many things Lincoln would have agreed with. The only difference is that our prayers will keep Trump from being assassinated. So far there have been 25 attempts on his life. I don't know the details of all of them, but I do know that in at least two of them the bodyguards died. These evil people who have had our nation in its death throws are serious about keeping us in bondage and even greater bondage without religious freedom. Yet I hear other prophets say, there is no doom and gloom, there is only good coming.

Lord I do not understand something. Certain prophets say that he will not be assassinated and will live through his second term. How are we to respond to that?

Jesus began: "Clare, there are many things I share with you that I do not share with others. The reason for this is that I am counting on your prayers, and those who dwell securely in My Heart to make the good result come about. I tell you the truth, without the prayer coverage he gets, he would not be alive right now. I need you to continue to take Me very seriously and not relax your prayers because another said he would be ok. This engenders complacency which opens the door for tragedy. Do not become complacent My loved ones, if this were not a very serious affair, I would not ask for your intervention in prayer. You can count on this, if he remains alive, and in office, it will be because of your serious intercession."

"To some of My prophets I give doom and gloom warnings, to some I give encouragement that there is a great good to look forward to. To each group I have a specific intention in mind. I do not want either group to throw stones at one another. I want a united front. My ways are not your ways and just because I have spoken to you in a different way than I did to an established prophet does not mean you are wrong. There are legs in the Body of Christ, there are arms and then there are back bones. My prayer warriors are the backbones of My Body. They can take the ugly onslaughts of derision and

may saying. They can take the compliments and perks without bowing and blushing...rather they run for cover because they know the compliments are more dangerous than the accusations."

"Please My Love, do not ask Me again why I speak differently to you. Just know that you are in My perfect will, speaking My perfect words, and carrying out My perfect commandments to bring My Body to her knees. Know this without doubts or qualms and go forward securely. Be bold and firm, you are My messenger for this hour and triumph will not happen without serious prayer."

"As far as those pastors who oppose the agenda of defending life, I say to you, stop looking at your bank account and start looking into My Heart. There are consequences coming to those who are in agreement with murdering the unborn and your day is coming. Look beyond your financial stability into your place in eternity, do not take Heaven for granted, for in that day, I will say to many who boast of healings and miracles, "Depart from Me, I never knew you."

"My Heart is to see this through and continue to bless the direction your President is taking the nation. At the same time, I need My people and even those that do not want to be called Mine, I need them to want to live in justice and equity. In Heaven, everyone has what they need to do their jobs. No one is deprived of skill or opportunity; all share equally in what is needed. But greed on this earth has stolen from the poor and oppressed those who have no other recourse. There is something fundamentally wrong with the whole American dream."

"What is lacking is truly brotherly love and concern for those who are less capable and born into less favorable environments. I want your hearts to reach out to them. I want your world view to be unselfish and providing for others around you. I do not give an increase of wealth so that My people can hoard resources. I give it so you may grow in charity and reach out to the needy around you. Without this kind of dream, you become selfish, and spiritually shrivel up, living in excess while others go without even the barest of necessities."

"I want you to know that because of your relentless prayers you will receive greater protection for you and your loved ones when things go down. Your charity of heart in praying for the nation resounds in Heaven and calls to the angels to protect your loved ones." Well that was the end of His message, my dear ones and right after this message, St. Faustina came to me on the feast of the Archangels and gave me encouragement. That will be the next message. The Lord bless you my precious family. I can't wait until the new website is finished and I'll be able to communicate more clearly with those who comment. Thank you for your prayers...I'm no longer having issues with my recording program because of your prayers but they are late because of all I had to go through to get them to you.

May His Peace reign in our souls, and may His truth guide all your actions. God bless you, dear ones. Thank you so much for your prayer support and your donation support. It's a tremendous help to us. Please remember to say this as often as you think of it: "Blood and water from the side of Jesus, I trust in you. Save our President and our Nation, Amen"
